INTRODUCING NEW Glass & Marble Front COLUMBARIUMS

CHAPEL COLUMBARIUM EAST | CHAPEL COLUMBARIUM WEST

Copyright 2020 Matthews International Corporation Rendering is for conceptual purposes only.
Finished product may vary from the illustration shown.

NEW COLUMBARIUMS will be installed on the interior front entrances of the mausoleum chapel. These chapel columbariums will feature **72 display glass front** and **56 warm marble front niches**. The beveled glass niches are available in various sizes and will be beautifully lit with LED lighting.

All glass and marble front niches for the cremated remains of our loved ones are available to order now. Cremation is permitted by the Catholic Church and has become an increasingly popular option. Premium locations are limited.

**FOR MORE INFORMATION AND TO SCHEDULE AN APPOINTMENT,
PLEASE CONTACT Mark Maher, Mausoleum Representative, at 908-277-3741.**

Maintenance Update!

As we look toward fall, we anticipate treatments to the property to fertilize the grass and reduce weeds.

Over time and with a program in place, we anticipate the annual cost will be approximately \$5,000.

The mausoleum roof is original to the building, leaking in areas and will need to be replaced.

The cost will be approximately \$150,000.

The entrance columns need to be repointed as well as the main front gates repainted.

The cost will be approximately \$10,000.

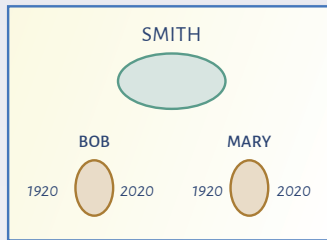

If you would like to contribute toward these significant projects, please contact Karen: kareni@stteresaavila.org

COLEY SNYDER: EAGLE SCOUT PROJECT

With a lot of hard work, Eagle Scout **Coley Snyder** has beautifully transformed an area of the mausoleum grounds in honor of our Veterans. The final outcome is a wonderful addition to our cemetery grounds. **THANK YOU COLEY!**

Check out the before, during, and after shots below!

A Seating Makeover

With the original carpet, chairs and benches since its opening in 1994, the mausoleum was in need of updating. Since the original carpet has been replaced, the stained chairs and benches have now been reupholstered for a beautiful change and modern appearance.
