40 DAYS

TO GROW CLOSER TO CHRIST...

THE FOURTH SUNDAY IN LENT

Then the father said to him, "Son, you are always with me, and all that is mine is yours. But we had to celebrate and rejoice, because this brother of yours was dead and has come to life; he was lost and has been found."

(Luke 15:31-32)

When have you been generous enough to forgive someone who hurt you deeply?

Welcome! We are so happy you are with us.

We've received a number of complaints from parishioners who arrive early to sit quietly and pray - about those who arrive late.

In the rare moment that something delays you from arriving to Mass on time and in order not to distract your fellow parishioners or the ministers, please walk only down the side aisles, never the center aisle to find your seat.

Staff are always at the rear of the Church to assist.

Thank you for your kind understanding and cooperation.

Stewardship Reflections...

"No longer was there manna for the Israelites, who that year ate of the yield of the land of Canaan." - Joshua 5:12

Over the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon as they were able to enjoy the fruits of the Promised Land the manna ceased. Likewise, God's blessings to us may change over the years but it is important to trust that God will always provide us with all that we need.

*"Los hijos de Israel no tuvieron más maná, sino que comieron del producto de la tierra de Canaán."
- Josué 5:12*

Durante los cuarenta años que los Israelitas viajaron por el desierto, Dios les proporcionó maná para que se alimentaran. Tan pronto como fueron capaces de disfrutar de los frutos de la Tierra Prometida cesó el maná. De la misma manera las bendiciones que Dios nos ha dado pueden cambiar en el transcurso de los años, pero es importante confiar en que Dios siempre proveerá para todas nuestras necesidades.

May the souls of all the faithful departed rest in peace.

MESSAGE FROM OUR PASTOR

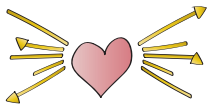

Dear Friends:

As we come to the Fourth Sunday in Lent, we are reminded that this season encourages us to spend some time in prayer, almsgiving and service. And while the first two may be easier to accomplish, service is also an important component of a successful Lenten season.

The *Harvard Business Review*, tip of the day, on March 20 contained an article entitled, *The Power of Volunteering*. It's a helpful reflection and perhaps just the "push" that some of us may need to do some volunteer work as a part of our personal Lenten program.

At the outset, the article notes here's how to get started:

*Don't let
doubt
hold you
back.*

It's easy to feel like one person's efforts won't matter but focusing on what you can influence—whether in your neighborhood, community, or a cause close to your heart—makes a real difference.

*Start small
—
and start now.*

Many people wait until they're more accomplished or financially secure before giving back. But if you keep waiting for the right time to take action, you could be waiting forever. Find an organization or initiative that aligns with your values and begin in a way that fits your current capacity. You might even ask what organizations your friends and colleagues are involved in. Even small contributions add up over time.

*Stay open
to where
volunteering
might lead.*

You may start with a few hours a month, only to realize your passion for a cause shapes your long-term path in unexpected ways. As your values evolve, you may even find a cause worth pursuing professionally—leading to a career that aligns with your purpose.

HBR The Management Tip of the Day | *The Power of Volunteering* | 3/20/25

Lent is a special time ... and our volunteer service can make this time special.

Blessings!

Fr Bob

ENCOUNTER

Last week, our ENCOUNTER First Communion prep class of 2025 took one step

away from sin and a giant leap into the loving, forgiving arms of God as they experienced their First Reconciliation! Thank you to Fr Nick Sertich, Fr Nico Quintos, and all of our wonderful priests for shepherding the children during this special sacramental experience on their journey to meeting Jesus.

CARE FOR CREATION BOOKLET

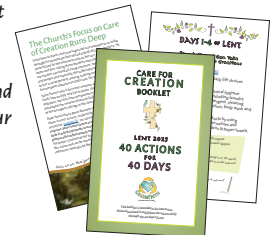

DAYS
23-28
OF LENT

Six Actions I Can Take to Care for God's Creation:

1. Read Chapter 5 of Laudato Si'.
2. Adopt a plant-rich diet, including high-protein foods such as beans, nuts, and whole grains and limit meat.
3. Buy only the amount my family can eat to minimize waste. Prepare and freeze excess food, or make something to serve to friends and neighbors, rather than discarding it.
4. Compost my food waste to reduce trash going to a landfill or incinerator, providing an end-product that replenishes the soil.
5. Choose to purchase fewer, longer-lasting items (including clothing) to minimize emissions and save money.
6. Install motion sensors into existing outdoor light sockets and have the lights come on only when a person (or a raccoon!) moves nearby. Buy light fixtures that combine light sensors with motion sensors that come on dimly at sunset, brighten only when they sense movement nearby, and turn off early in the morning. Reducing outdoor lights at night also cuts back on "light pollution," and makes it easier to see lightning bugs and stars.

This interactive booklet features 40 actions for 40 days, reflection questions, resources, and more to accompany your Laudato Si' Lent!
