Stewardship Reflections...

"For where your treasure is, there also will your heart be." LUKE 12:34

Jesus encourages us to build up our treasure in heaven. The world encourages us to build up our treasure in real estate, investments, and material goods. How much time are you investing in building up a worldly treasure? How much time are you investing in building up a heavenly treasure? To invest more in the things of heaven, you must let go of some of the things of this world.

"Porque donde esté su tesoro, allí también estará su corazón." LUCAS 12:34

Jesús nos anima a construir nuestros tesoros en el cielo. El mundo nos anima a construir nuestros tesoros en bienes raíces, inversiones y cosas materiales. ¿Cuánto tiempo invierte en construir un tesoro terrenal? ¿Cuánto tiempo invierte en construir su tesoro celestial? Para invertir más en las cosas del cielo, debe dejar ir algunas de las cosas de este mundo.

May the souls of all the faithful departed rest in peace.

MESSAGE FROM OUR PASTOR

Dear Friends:

Where is the summer going? We are already on the Nineteenth Sunday in Ordinary Time! When I was a student, I would want to hide the calendar knowing that school is not far away. It would also prompt me to squeeze in that one last trip ... before the push and pull of the fall season.

The Gospel this week proclaims that very famous line, *Do not be afraid any longer, little flock, for your Father is pleased to give you the kingdom.* It's a reminder to us that whether we are in summer, fall, winter, or spring, the Lord is with us.

This week, the reading challenges me to imagine, what if Jesus came today—not someday, but now, this very hour? That's how this Gospel begins: not with a threat, but with a promise. Do not be afraid. Jesus doesn't just call us to believe in the Kingdom; He calls us to be ready for it. I think this weekend the Gospel reminds us of these points:

Girded loins. Lit lamps. These are images of readiness, but not nervousness.

Like a bride preparing her home for her groom, or a child waiting for her father to arrive—they're not panicking, they're expectant.

Vigilant discipleship means tending daily to the tasks of mercy, justice, and love. How vigilant are we?

The faithful steward doesn't just manage a household. s/he nourishes others at the proper time.

In our Gospel, stewardship is not about control—it's about communion. The good servant feeds, heals, and serves because the master has trusted him with care.

We are trusted, too—not just with buildings and budgets, but with the heart of the Gospel. Are we feeding those entrusted to us here in Summit and beyond?

Jesus is clear: where your treasure is, there will your heart be also.

Is our treasure in comfort? Appearance? Security? Or is it in people—the broken, the forgotten, the joyful and just? Where do we see Jesus today? And in whom?

The Kingdom calls us to create "money bags that do not wear out"—works of compassion, almsgiving, generosity that echo in heaven.

This Gospel reminds us that the Son of Man will come at an hour we do not expect.

But it's not a warning to live in fear—it's an invitation to live awake.

We are not called merely to watch for Christ—we are called to prepare the table for His arrival.

In every act of kindness, every almsgiving, every time we feed someone spiritually or physically, we are living not just for Christ—but with Him.

As we watch the calendar pages turn, and seemingly turn very quickly, perhaps we can use the remaining days of the summer to dig in, dig deeper, and show the Lord we are ready for his return by the way we live each day to the full, duplicating his life of love in action.

Blessings!
Fr Bob

*A Life with Chronic Illness -
Lessons from a Body in Revolt*

Tessa Miller | via Henry Holt and Company

A riveting account of a young journalist's awakening to chronic illness, weaving together personal story and reporting to shed light on living with an ailment forever. Miller segues seamlessly from her dramatic personal experiences into a frank look at the cultural realities (medical, occupational, social) inherent in receiving a lifetime diagnosis. She offers hard-earned wisdom, solidarity, and an ultimately surprising promise of joy for those trying to make sense of it all.

50 QUESTIONS EVERY CATHOLIC SHOULD KNOW...

20. WHAT HAPPENED AT THE LAST SUPPER?

At the Last Supper, Jesus washed the feet of His Apostles, established the priesthood of the New Covenant, and instituted the Holy Eucharist during the course of a Passover meal as a memorial of His sacrifice.

The Solemnity of the Assumption of Mary

Friday
August 15

A Holy Day of Obligation

Mass at 7 am & 7 pm in Church

The following reflection is an excerpt courtesy of Catholic-Link.org
Do You Know Why We Celebrate The Assumption Of The Blessed Virgin Mary? | Juan Carlos Cruz

THE SOLEMNITY OF THE ASSUMPTION OF THE MOST HOLY VIRGIN IS A DAY OF JOY: our Mother is elevated to the heavens. God has triumphed. Love has triumphed. Life has triumphed. It has become evident that love is stronger than death, that God possesses true strength, and His power is goodness and love. After spending her life on earth caring for Jesus, Mary is received into heaven and will continue watching over His Church for eternity.

MARY IS THE FIRST AMONG THE REDEEMED; she is the image of the Church. That is why the Assumption is a joyful affirmation of hope. Through our faith, we believe that we, and the world in which we live are also progressing toward a transformation and glorification similar to what has already happened in Mary. She has already received the fruit of her faith: "Blessed are you who believed." The Magnificat, her song of faith in God's transformative action, illuminates our faith and increases our hope. She now sits as Queen beside her Son in the eternal beatitude of Paradise, and from on high, she looks upon her children. Today, she shines as Queen over all of us pilgrims on the path to immortal glory.

In her, taken up into Heaven, the eternal destiny that awaits us beyond the mystery of death is revealed to us: a destiny of full happiness in divine glory. This supernatural perspective sustains our daily pilgrimage. Mary is our teacher of life. By looking at her, we better understand the relative value of earthly greatness and the full meaning of our Christian vocation.

From her birth to her glorious Assumption into Heaven, Mary traversed the long journey of faith, hope, and charity. These virtues blossomed in a humble heart abandoned to the will of God. These are the virtues that the Lord asks of every believer.

In this spiritual struggle, Mary's help is decisive for the Church to achieve the definitive victory over evil. Mary is a solicitous mother who supports the efforts of believers and encourages them to persevere in their commitment to Our Lord.

Holy Mary has always been helping alongside the Church, helping each of the apostles, in her beautiful quiet way of humility. On the day when she was Assumed into Heaven, and we all, including you and me, went to bid her farewell from this earth, but we did not lose her. In fact, now she is more present in every moment of our life. Turn to her and seek her help as she leads you to her Son, Our Lord, Jesus Christ.

AUGUST IS NATIONAL MAKE A WILL MONTH...

LEAVE A LEGACY WITH PLANNED GIVING

LEGACY FUND

Aiming to secure the sustainability of parish ministries and outreach programs, the Legacy Fund provides funding for parish specific endeavors such as outreach programs, maintaining our buildings and enhancing ministries. The Legacy Fund is a restricted fund, in that 100% of the contributions received directly support St Teresa of Avila and are not subject to an Archdiocesan or any other assessment or tax.

We ask ALL parishioners to consider supporting the Fund. There are no minimum donations or bequests. Methods of support include: (1) gifts of cash or stock; (2) land or buildings; (3) modification of wills and trusts to include the Legacy Fund in estate documents; (4) beneficiary designation of life insurance or IRA accounts; (5) advanced planning strategies, including charitable gift annuities and charitable trusts. The Finance Council, in conjunction with the Pastor annually determines what restricted projects are the beneficiaries of the Legacy Fund.

MATCHING GIFTS

Many employers offer employees the opportunity to make contributions to charitable organizations such as St Teresa of Avila through:

1. Payroll withholding deposited into the employer controlled trust account(s)
2. Credit card donations deposited into the employer's controlled trust account(s)
3. Personal checks paid to the employer's controlled trust account(s)
4. Matching gifts
5. Paid work days to serve as a volunteer

For more information, please contact
Karen Barisonek, Director of Finance
karenb@stteresaavila.org

APPRECIATED SECURITIES

By giving appreciated securities that you have owned for more than a year, your charitable deduction is the fair market value of the securities on the day of the gift. Such gifts provide income tax savings and eliminate your capital gains tax liability.

WILLS & ESTATES

The parish can be remembered in your Will while still providing for your loved ones. Suggested wording for such bequests is: I give the sum of \$—— (or —— % of my estate) to the Church of ——, for its general purposes (or something more specific of your choosing).

LIFE INSURANCE

Consider naming St Teresa of Avila Church as the beneficiary or owner of a new life insurance policy or the beneficiary of an existing policy. For a young adult, the premium for purchasing a new policy is minimal, yet the lasting benefits to the parish are significant.

RETIREMENT PLANS

Consider naming the Church as the beneficiary or contingent beneficiary on your Beneficiary Designation of your retirement plan, IRA or 401(k). It's easy, requires no attorney or fee, and is tax advantageous.
